AGRCD3 Prohibitions and Penalties under Concentrated Animal Feeding Facilities Law

R.C. 903.30, 903.99

Requires the Attorney General, upon the written request of the Director of Agriculture, to prosecute any person who violates or fails to perform any duty required by specified provisions of the Concentrated Animal Feeding Facilities (CAFF) Law, a rule adopted by the Director under that Law, or an order or term or condition of a permit issued by the Director under that Law or rules adopted under it.

Establishes three tiers of violations and penalties under this provision: (A) Negligent – Not more than 90 days in jail or no more than a \$10,000 fine or both. Defines a person as negligent with respect to circumstances when, because of a lapse from due care (instead of because of a substantial lapse from due care as defined under current law), the person fails to perceive or avoid a risk that such circumstances may exist; (B) Reckless – Not more than one year in jail or no more than a \$10,000 fine or both; and (C) Knowing – Felony subject to not more than 3 years in jail and a fine between \$10,000 - \$25,000. (Current law penalties under the CAFF Law range from a third degree misdemeanor on

R.C. 903.30, 903.99

Replaces the Executive provision regarding the Attorney General's authority to prosecute with a provision that establishes two separate general prohibitions: (1) Violating specified requirements governing NPDES permits and the NPDES provisions of permits to operate; and (2) violating requirements under specified provisions of the CAFF Law or rules adopted or orders or terms and conditions of permits issued that are not related specifically to NPDES permits and permit provisions.

Modifies the penalties established in the Executive by doing the following: Applies the penalties for negligent violations and the standard for actions that constitute negligence under (A) only to violations of the general prohibition regarding NPDES permits and the NPDES provisions of permits to operate; applies the penalties for reckless violations under (B) to both general prohibitions established above; and applies the penalties for knowing violations under (C) to both general prohibitions above, but eliminates the minimum fine of \$10,000.
