

BUDGET IN DETAIL

House Bill 59

130th General Assembly

Main Operating Budget Bill
(FY 2014 – FY 2015)

As Enacted
(with FY 2013 actual expenditures)

Legislative Service Commission

July 10, 2013

Introduction

The Budget in Detail, commonly referred to as the "Spreadsheet," lists each state agency's appropriations by line item. It begins with two summary tables followed by detailed line-item appropriations for each agency. The first table lists total General Revenue Fund (GRF) appropriations by agency. The second table lists total all-fund appropriations by agency. The detailed line-item appropriation section is arranged in alphabetical order by agency name. This section also includes two nonagency items for which appropriations are made: Employee Benefits Fund (PAY) and Revenue Distribution Funds (RDF). Within each agency, generally, line items are organized by fund group, fund code, and line-item number. The order of line items within each agency matches the order in which they appear in the biennial main operating budget bill, H.B. 59.

The Budget in Detail compares each line item's appropriations for FY 2014 and FY 2015 as they exist in the As Introduced version and subsequent versions of H.B. 59. In addition to FY 2014 and FY 2015 appropriations, the Budget in Detail also shows actual expenditures for FY 2012 and FY 2013.

The Budget in Detail does not include earmark or any other statutory language changes. Please see the Legislative Service Commission's Comparison Document (Compare Doc) for that information. For a complete discussion of the statutory changes in H.B. 59, see the Legislative Service Commission's Bill Analysis.
