Eliminates an obsolete Medicaid managed care provision that refers to the nonfederal share of the cost of Medicaid-covered addiction and mental health services being paid by entities other than ODM.

Fiscal effect: ODM plans to enroll foster care and adopted children into Medicaid managed care. In addition, ODM will make it optional for individuals with developmental disabilities to enroll in managed care for medical services. Lastly, ODM plans to include behavioral health services in managed care. These three policies are expected to cost \$104.8 million (\$39.4 million state share) in FY 2017 for any unpaid fee for service claims after individuals have been transitioned onto managed care.
