Agency overview

The Ohio Expositions Commission (EXP) is responsible for maintaining the buildings and grounds on an approximately 360 acre site in Columbus that is used as a year-round venue for large events and exhibitions. Overall, there are over one million square feet of event space in the 14 buildings that are part of the Ohio Expo Center. In addition to hosting the annual State Fair, the Expo Center brings in approximately 185 events and exhibitions throughout the year. Receipts from these sources make up the bulk of operating revenue under EXP’s budget. Beyond what is appropriated for operating expenses in the main operating budget, EXP receives a substantial amount of funding under the capital budget to modernize the buildings and grounds in order to keep the Expo Center competitive among other venues in bidding for shows and exhibitions.

The Commission is governed by a 15-member board. Previously, the number of board members had been 14; H.B. 166 added the Ohio State University’s Dean of the College of Food, Agricultural, and Environmental Sciences as a member. As of August 2019, the EXP staff roster included 60 full-time employees. However, to plan for and produce the State Fair, the Commission typically hires an additional 600 seasonal workers, as well as about 90 seasonal workers for the other year-round events held at the Ohio Expo Center.

Analysis of FY 2020-FY 2021 budget

The budget appropriates approximately \$16.1 million in FY 2020 and \$16.4 million in FY 2021 for EXP operations. Broken down by source, 97.8% of all EXP's funding comes from receipts collected from both the State Fair and other events held at the state fairgrounds. The remaining 2.2% of funding comes from the GRF and is used to cover part of the cost of holding the Junior Fair alongside the annual State Fair.

This line item is used to support the Junior Fair portion of the Ohio State Fair, which includes premium payments to participants, payments for judges, meals, and lodging for the All Ohio State Fair Band and Choir, and other related costs. The Junior Fair portion of the 2019 Ohio State Fair cost approximately \$750,000 to host. Any costs that exceed the appropriation are paid from the Expositions Fund (Fund 5060), described in further detail below.

Ohio State Fair Harness Racing (ALI 723602)

This line item is used to pay cash awards for harness races held in conjunction with the State Fair. The Ohio State Fair Harness Racing Fund (Fund 4N20) is a pass-through fund which holds entry fee receipts for the harness races collected by the Commission. These amounts are then disbursed to Scioto Downs, where these races are held. Overall, Fund 4N20 collected approximately \$324,000 in receipts and disbursed nearly \$345,000 in awards in FY 2019.

Operating Expenses (ALI 723601)

FY 2016 Actual	FY 2017 Actual	FY 2018 Actual	FY 2019 Actual	FY 2020 Appropriation	FY 2021 Appropriation
Fund 5060 ALI 723601, Operating Expenses					
\$14,244,464	\$14,663,050	\$14,999,642	\$15,864,236	\$15,100,897	\$15,363,166
% change	2.9%	2.3%	5.8%	-4.8%	1.7%

This line item is used to pay all expenses related to operations at the Expo Center. Also, any additional expenses for the Junior Fair portion of the Ohio State Fair in excess of the \$363,750 GRF subsidy for the purpose will be covered by funding under this line item.

The Ohio Expositions Fund (Fund 5060) is comprised of fees charged during the annual State Fair and nonfair events. Income is derived from space rentals, exhibit entries, admissions, parking, and other such sources. Nonfair revenues consist of charges for building rentals, parking, and concession income from the 185 or so events held at the Expo Center throughout the year. Overall, CY 2018 receipts from the State Fair and nonfair events totaled approximately \$15.2 million. Of that amount, approximately \$8.9 million (58.6%) was derived from the 2018 State Fair.

Uncodified law included in the budget allows the General Manager of the Expositions Commission, in consultation with the Director of Budget and Management, to submit a request to the Controlling Board to use available amounts in the State Fair Reserve Fund (Fund 6400) to supplement funding if revenues from the 2019 or 2020 Ohio State Fair are unexpectedly low. The last time the Commission exercised this authority was in 2002. Similarly, the Director of Budget and Management, in consultation with the General Manager of the Expositions Commission, may determine that the Ohio Expositions Fund (Fund 5060) has a cash balance in excess of EXP's anticipated operating costs for the fiscal year, in which case that excess cash may be transferred to Fund 6400.

Grounds Maintenance and Repairs (ALI 723604)

FY 2016 Actual	FY 2017 Actual	FY 2018 Actual	FY 2019 Actual	FY 2020 Appropriation	FY 2021 Appropriation
Fund 5060 ALI 723604, Grounds Maintenance and Repairs					
\$299,994	\$299,998	\$300,000	\$300,000	\$300,000	\$300,000
% change	0.0%	0.0%	0.0%	0.0%	0.0%

This line item provides funding for the cost of certain smaller-scale maintenance and repair projects on the grounds of the Expo Center. It is supported by receipts from the State Fair and other events that are deposited into Fund 5060. Upgrades to the fairgrounds are undertaken with the goal of making the property more attractive to potential customers and increasing the number of nonfair events held at the fairgrounds. These improvements include renovations to the Celeste Center and the new agricultural and multi-purpose facilities. Any such costs that exceed the appropriation would be paid from appropriation item 723601, Operating Expenses.

In addition to this funding, EXP typically receives capital funding for building and grounds renovations, upgrades, and new construction. For example, H.B. 529, the capital budget act for the FY 2019-FY 2020 capital biennium, provides the Commission with \$6.0 million for improvements at the maintenance complex and the Rhodes Center, as well as the ice plant in the Coliseum building. A further \$1.0 million was provided for emergency repairs and major equipment purchases.
