MHACD22 Disciplinary procedures for certifiable services and supports

R.C. 5119.36, 5119.99

Specifies reasons the Director of OhioMHAS may refuse to certify, refuse to renew certification, and revoke certification services and supports provided by community mental health or addiction services providers.

Eliminates requirements that the Director of OhioMHAS (1) identify areas of noncompliance if the Director determines an applicant's certifiable services and supports do not satisfy certification standards and (2) provide applicants with reasonable time to demonstrate compliance with standards.

Specifies that proceedings to deny, refuse to renew, or revoke certifications are governed by the Administrative Procedure Act.

Provides that OhioMHAS cannot grant an opportunity for submitting a plan of correction when it issues an order suspending admissions or when it denies, refuses to renew, or revokes certification.

R.C. 5902.09, Section 337.190

Renames the Transcranial Magnetic Stimulation Pilot Program to the Electroencephalogram (EEG) Combined Transcranial Magnetic Stimulation Pilot Program.

Expands the program to be available to first responders and law enforcement officers. Expands the list of disorders and conditions that establish eligibility for treatment under the program.

Authorizes the program to have up to ten branch sites, and specifies that a branch site may be a mobile unit or an EEG combined neuromodulation portable unit.

Specifies that the supplier must create and conduct a clinical trial, and also establish and operate a clinical practice.

Requires that clinical protocols and outcomes of the clinical trial, and of any treatment provided by the clinical practice, must be collected and reported quarterly in a report provided by the supplier to the Directors of Veterans Services and Mental Health and Addiction Services, and to the United States Food and Drug Administration.

Requires the Directors of Veterans Services and OhioMHAS to adopt additional rules for administration of the program.

Requires that any individual who receives treatment at the clinical practice be eligible for a minimum of two electroencephalograms during the course of the individual's treatment.
