Overview

Agency overview

The Office of the Attorney General: (1) serves as the legal counsel to all statewide elected officials, the Ohio General Assembly, and all state departments, agencies, boards, and commissions, and (2) provides training, investigative, and technical assistance to local law enforcement agencies through the Bureau of Criminal Investigation (BCI), the Ohio Peace Officer Training Academy, and the Ohio Organized Crime Investigations Commission. To perform these activities and services, the Attorney General employs over 1,500 full-time equivalent (FTE) staff.

Appropriation summary

The budget provides the Attorney General a total appropriation of \$437.7 million in FY 2024 and \$431.4 million in FY 2025 for a combined total of \$869.1 million for the biennium.

The Dedicated Purpose Fund (DPF) and Federal Fund (FED) groups together comprise 54.8% (\$476.5 million) of the Attorney General's biennial budget. Of the remainder, 41.2% (\$357.9 million) comes from the General Revenue Fund (GRF), the Internal Service Activity (ISA) Fund Group (2.1%, or \$18.2 million), and the Holding Account Fund (HLD) Group (1.9%, or \$16.5 million).

One notable highlight of the Attorney General's budget is the increase of 72.1%, or \$75.0 million, from the FY 2023 GRF expenditure. This is largely attributable to the following appropriations for FY 2024:

- \$40.0 million to GRF line item 055509, Law Enforcement Training to expand the reimbursement program for continuing professional training for peace officers.
- \$9.0 million to GRF line item 055441, Victims of Crime to supplement federal and state non-GRF funding of the state's crime victim compensation program.
- An increase of 10.6%, or \$7.9 million, to line item 055321, Operating Expenses, for additional support to BCI operations and to restore the Ohio Fallen Peace Officers Memorial Wall.
- An increase of 109.6%, or \$8.0 million, to line item 055501, Rape Crisis Centers.
- An increase of 300.0%, or \$7.5 million, to line item 055504, Domestic Violence Programs.
- New GRF line items:
 - GRF ALI 055446, Cyber Crime Division Expansion – \$750,000 in each fiscal year.
 - GRF ALI 055447, Ohio Law Enforcement Gateway – (OHLEG) – \$1.25 million in FY 2024.

Budget highlights

Law enforcement training reimbursements

The budget expands the reimbursement program for continuing professional training costs by appropriating \$40.0 million in each of FY 2024 and FY 2025. Related temporary law permits the Attorney General to use up to \$100,000 for administrative expenses associated with the program, including curriculum development. The budget requires that every appointed peace officer and trooper complete 24 hours of continuing professional training each calendar year and provides that a minimum of 24 hours of continuing professional training must be reimbursed each calendar year, and a maximum of 40 hours of continuing professional training may be reimbursed each calendar year.

For background, H.B. 110 of the 134th General Assembly required the Attorney General to create and administer a pilot program for state funding of the training of peace officers and troopers in calendar year 2022. Under the pilot program, each law enforcement agency was required to certify to the Attorney General the total of salaries to be paid in calendar year 2022 to officers or troopers that would receive continuing professional training and their hourly rate of pay. The pilot program covered up to 50% of the salary costs. Funding in the amount of \$15.0 million was appropriated to GRF line item 055509 for the reimbursement program in FY 2022.

Subsequently, H.B. 45 of the 134th General Assembly modified the original pilot program. H.B. 45 permitted law enforcement agencies that received funding under the pilot program to retain unused funds for future continuing professional training programs rather than returning it to the Attorney General as previously required. It also extended the pilot program from December 31, 2022 until June 30, 2023 (the end of FY 2023) and modified the mechanism for making the payments during the extension period. Law enforcement agencies that receive funding under the period of the extension were similarly permitted to retain funds unused during the pilot program for future continuing professional training costs.

Victims of Crime

The budget appropriates \$9.0 million in FY 2024 and \$7.0 million in FY 2025 to GRF ALI 055441, Victims of Crime, for the state's Crime Victim Compensation Program. The Attorney General, prior to using the funds from this line item, and to the extent possible, must first use funds related to the federal Victims of Crime Act.

In recent years, state and federal funding that support this program have been declining. H.B. 110 created this line item with an appropriation of \$2.5 million in FY 2022 to provide the Attorney General GRF funding to supplement the program's other funding sources. No funding for FY 2023 was provided for this purpose.

Cyber Security/Technology Upgrades Fund

The budget creates the Cyber Security/Technology Upgrades Fund (Fund 5AW1) in the state treasury, and directs up to \$6.5 million of FY 2023 GRF surplus revenue to the fund to support the FY 2024 appropriation to DPF Fund 5AW1 ALI, Cyber Security/Technology Upgrades.

New duties for the Attorney General

The budget authorized several new duties for the Office of the Attorney General which together will create additional administrative costs for the Office. Some of these new duties include the following:

- Sexual assault examination kits access and reporting – Requires governmental evidence-retention entities to submit annual reports regarding sexual assault examination kit inventory to the Attorney General and requires the Office to prepare and make public a summary report, including a list of all entities that failed to submit reports.
- OneOhio Recovery Foundation – Requires the Attorney General to provide legal advice to and conduct any case in which the OneOhio Recovery Foundation or its employees, officers, or appointed members are a party to a legal action as a result of acting in its official capacity.
- Youth online parental notification – Provides the Attorney General exclusive authority to bring a civil action to enforce compliance with the new requirement for parental notifications by online operators.
- Victims of Human Trafficking Fund – Gives the Attorney General the duty to administer the Victims of Human Trafficking Fund (Fund 5NG0), previously under the control of the Department of Job and Family Services.

Vetoed provisions

Proceeds from large settlements or awards

The Governor vetoed provisions that, beginning January 1, 2024, would have:

- Created the Large Settlements and Awards Fund and directs the proceeds of any court order, judgment, settlement, or compromise exceeding \$2 million to the fund.
- Required the Attorney General to send a report to the Senate President and House Speaker if it cannot cover legal costs and fees from money received from an order, judgment, settlement, or compromise, or from an available appropriation.

Analysis of FY 2024-FY 2025 budget

Introduction

This section provides an analysis of the funding for each appropriation line item (ALI) in the Attorney General's budget. For organizational purposes, these ALIs are grouped into three major programmatic categories based on their funding purposes. The analysis for an ALI with a lower category or subcategory designation will appear before that for an ALI with a higher category or subcategory designation. That is, the analysis for an ALI with a category designation of C1:8 will appear before the analysis for an ALI with a category designation of C2:1 and the analysis for an ALI with a category designation of C1:3 will appear before the analysis for an ALI with a category designation of C1:8.

To aid the reader in locating each ALI in the analysis, the following table shows the category in which each ALI has been placed, listing the ALIs in order within their respective fund groups and funds. This is the same order the ALIs appear in the Attorney General's section of the budget bill.

In the analysis, each line item's actual expenditures for FY 2023 and appropriations for FY 2024 and FY 2025 are listed in a table. Following the table, a narrative describes the revenue source and purpose of the appropriation. The narrative is divided into three categories: (1) Criminal Justice, (2) Legal Services, and (3) Program Management.

This category of line items provides funding to support services and activities delivered through the Attorney General's Law Enforcement and Victims Services programs, as described below.

Law enforcement

- **Bureau of Criminal Investigation (BCI).** BCI's identification, investigations, and laboratory divisions provide investigative support and forensic analysis to state and local law enforcement agencies.
- **Ohio Peace Officer Training Academy and Commission.** As a group, these entities oversee training requirements and curriculum, firearms programs, certification standards of peace officers, and provide instruction in basic, advanced, and technical training for the law enforcement community.
- **Criminal Justice Section.** This section is composed of: (1) the Capital Crimes Unit, which works to uphold death sentences and assists county prosecutors with capital litigation and responses to clemency requests, (2) the Habeas Unit, which represents the state in federal and state habeas corpus litigation brought by inmates claiming their convictions and sentences are unconstitutional, and (3) the Corrections Litigation Unit, which defends the departments of Rehabilitation and Correction and Youth Services and their employees against lawsuits brought by inmates.
- **Ohio Organized Crime Investigations Commission.** The Commission assists local law enforcement agencies with the investigation of organized crime and corrupt activities.
- **Special Prosecutions Section.** This section assists with major felony cases such as homicides, child sex offenses, white collar crime, and public corruption.
- **Health Care Fraud Section.** This section investigates and prosecutes fraud in the health care industry through the Medicaid Fraud Control Unit and the Workers' Compensation Fraud Unit.

Victims Services

The Victims Services Program includes services and activities of the Crime Victim Section. Its duties and responsibilities include: (1) awarding victim compensation payments, (2) administering the Sexual Assault Forensic Examination (SAFE) Program that reimburses medical facilities for the cost of forensic examinations of victims of sexual violence, (3) distributing grants to local victims assistance providers, and (4) providing workshops, training, and other education programming to communities, law enforcement agencies, and victim advocate groups.

C1:1: Operating Expenses (ALIs 055321 and 055612)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 055321, Operating Expenses	\$73,988,047	\$81,854,000	\$85,282,000
% change	--	10.6%	4.2%

% change	--	-0.5%	0.0%

Operating Expenses (GRF ALI 055321)

This line item is used to pay for the Attorney General's operating expenses across three major programmatic categories: (1) Criminal Justice (2) Legal Services, and (3) Program Management. These expenses are primarily incurred in the provision of legal services and overall office administration (program management), and secondarily, in support of criminal justice programs (law enforcement and victim services).

The additional appropriation amount in both fiscal years will be used for cost-of-living increases, minimal overtime, and filling of vacant positions.

The budget earmarks up to \$1.3 million from this line item in each fiscal year by related temporary law provisions that:

- Require \$650,000 in each fiscal year to be used for the Ohio Center for the Future of Forensic Science at Bowling Green State University to foster forensic science research techniques (BCI Eminent Scholar) and to create professional training opportunities to students (BCI Scholars) in the forensic science fields.
- Require up to \$500,000 in each fiscal year to be used to support narcotics task forces.
- Permit \$100,000 in each fiscal year to fund domestic violence programs.
- Require \$67,500 in FY 2024 to be used to restore the Ohio Fallen Officers Memorial Wall on the grounds of the Ohio Peace Officer Training Academy.

Attorney General Operating (DPF Fund 1060 ALI 055612)

This line item is used, in combination with GRF line item 055321 and various other line items, to pay for the Attorney General's operating expenses across the Attorney General's three

major programmatic categories: (1) Criminal Justice (2) Legal Services, and (3) Program Management.

The line item's appropriation is supported by money drawn from the Attorney General Reimbursement Fund (Fund 1060). Fund 1060 consists of (1) reimbursement for legal and other services rendered to state agencies, (2) court awards (attorney's fees, investigation costs, expert witness fees, fines, and other costs and fees associated with representation provided by the Attorney General), (3) various fees (criminal record check, concealed carry weapon (CCW) license, arson offender registration, retained applicant fingerprint database, and conference registration), and (4) settlement revenue. Annual revenues are variable, as the frequency and amount of settlements are unpredictable.

Temporary law provisions authorize a cash transfer up to \$14.4 million for the GRF to Fund 1060 and appropriates the amounts transferred, for FY 2024, if the Attorney General requests additional funds to pay expenses related to representation in a concluded opioid litigation. The Attorney General is required to repay, in full, the amounts transferred from the GRF to Fund 1060 from the Multistate Opioid Settlement State Outside Counsel Fee Fund, Multistate Opioid Settlement State Opioid Attorneys Fee Fund, and Multistate Opioid Settlement State Cost Fund ("Opioid Settlement Fee and Cost Funds"). The repayment must be paid from part of the State Share Allocation of Settlement Proceeds as set forth in the One Ohio Memorandum of Understanding if the Attorney General is unable to recover or receive sufficient funds to repay the full amount transferred.

C1:2: BCIRS Lease Rental Payments (ALI 055406)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 055406, BCIRS Lease Rental Payments	\$2,397,733	\$2,500,000	\$2,500,000
% change	--	4.3%	0.0%

This line item pays debt service on the capital costs for the Bureau of Criminal Investigation Records System (BCIRS), which replaced two legacy systems in June 2021 – the Computerized Criminal History (CCH) System and the Automated Fingerprint Identification System (AFIS). The new system, otherwise known as the Ohio Biometric Identification System, or OBIS, digitizes millions of paper criminal justice records and allows electronic submission of data. As a result, the turnaround times for background checks that require manual review have been significantly reduced.

The Attorney General is utilizing a lease-purchase financing agreement with an aggregate principal of \$25 million raised through the issuance of bonds. Payments are made in accordance with an established amortization schedule.

C1:3: Pay Supplements (ALIs 055411 and 055415)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 055411, County Sheriffs' Pay Supplement	\$1,041,819	\$1,073,000	\$1,091,000
% change	--	3.0%	1.7%
GRF ALI 055415, County Prosecutors' Pay Supplement	\$1,330,454	\$1,399,000	\$1,438,000
% change	--	5.2%	2.8%

These two GRF line items reimburse counties for part of the cost of paying the annual compensation of county sheriffs and certain county prosecutors.¹ Recurring temporary law permits the transfer of appropriation from GRF line item 055321, Operating Expenses, to supplement the appropriation of either line item. The appropriation necessary to make these supplemental compensation payments can vary from year to year, dependent upon the number of eligible participants.

C1:4: Drug Testing Equipment (ALI 055432)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 055432, Drug Testing Equipment	\$878,110	\$964,000	\$964,000
% change	--	9.8%	0.0%

This line item supports the ongoing maintenance service, calibration, and certification of drug testing equipment, as well as supplies and consumables to operate the equipment. BCI uses the equipment to conduct advanced hemp testing.

C1:5: Internet Crimes Against Children Task Force (ALI 055434)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 055434, Internet Crimes Against Children Task Force	\$536,620	\$500,000	\$500,000
% change	--	-6.8%	0.0%

This line item supports the operation of the Ohio Internet Crimes Against Children Task Force (ICAC) including equipment, personnel, and training.

The Attorney General is required to disburse the funding as follows: 60% to the Task Force, 20% to local internet crimes against children affiliated agencies, and 20% to the Attorney General's Crimes Against Children Initiative for investigations, forensic examinations, and

¹ R.C. 325.06 and 325.111.

prosecutions related to technologically facilitated sexual exploitation of children, internet crimes against children, and victim identification. The amount awarded to a local agency is based on the need of the applicant and the total amount of funds available.

Typically, this line item has coded the majority of its expenses, around 75% to 90%, to subsidies/grants, with the remainder dedicated to a mix of equipment, supplies and maintenance, and purchased personal services.

C1:6: Rapid DNA Pilot Project (ALI 055440)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 055440, Rapid DNA Pilot Project	\$0	\$465,000	\$397,000
% change	--	--	-14.6%

This line item pays the costs incurred by BCI to pilot rapid DNA technology with cooperating local law enforcement agencies.

The Rapid DNA Pilot Project, first funded in FY 2021, enables approved law enforcement booking agencies to develop DNA profiles in about 90 minutes from arrestees in custody. The DNA profile will be entered into the FBI's Combined DNA Index System (CODIS) and searched against DNA profiles from homicides, rapes, kidnapping, and terrorism cases.

C1:7: Victims of Crime (ALIs 055441, 055616, 055634, and 055656)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation

These "victim of crime" line items may be used in conjunction with other funding sources in the Attorney General's budget for the same or similar purposes. Each line item is described in more detail below.

Victims of Crime (GRF ALI 055441)

This line item provides funding for the Attorney General's Crime Victim Compensation Program. Related temporary law requires the Attorney General, prior to using the funds from

this line item, and to the extent possible, first use funds related to the federal Victims of Crime Act. H.B. 110 of the 134th General Assembly, the main appropriations act for the current FY 2022-FY 2023 biennium, created the line item with an initial appropriation of \$2.5 million in FY 2022.

Victims of Crime (DPF Fund 4020 ALI 055616)

This line item is used for the following: (1) victim compensation payments, (2) the Attorney General's compensation administrative costs, (3) the Sexual Assault Forensic Exam (SAFE) Program, (4) grants to victim assistance programs, (5) DNA specimen collection, analysis, and database entry, and (6) attorney fees.

The line item's appropriation is supported by money drawn from the Reparations Fund (Fund 4020). Fund 4020 primarily consists of: (1) court costs of \$30 and \$9 imposed upon an offender convicted of or pleading guilty to a felony or misdemeanor, other than a nonmoving traffic violation, (2) \$75 of the \$425 fee collected for the reinstatement of a driver's license that was suspended for operating a motor vehicle while under the influence of alcohol or drugs (OMVI), and (3) subrogation and restitution recoveries.

Since FY 2016, the primary source of revenue, court costs, and fees, has been decreasing. Several shifts in program expenses have taken place to help offset declining revenue. In FY 2020, federal grant funds were secured for funding certain DNA testing expenditures and for the SAFE Program. In combination with federal grant funding, disbursed through Fund 3830, GRF was also used to pay for the majority of the SAFE Program in FY 2022.

Crime Victims Assistance (FED Fund 3830 ALI 055634)

This line item's appropriation is supported by the Crime Victim Assistance Fund (Fund 3830), which consists of money from a federal formula grant program that is disbursed as grants to aid qualified local offices and organizations that operate crime victim assistance programs. From FY 2012 to FY 2016, annual revenue averaged around \$14.9 million. From FY 2016 to FY 2020, there was a significant growth in federal funding, reaching an all-time high of \$106.5 million. Revenue to the fund totaled \$74.8 million and \$44.5 million in FY 2021 and FY 2022, respectively. Federal funding over the FY 2024-FY 2025 biennium is expected to decline.

Crime Victim Compensation (FED Fund 3FV0 ALI 055656)

This line item's appropriation is supported by money drawn from the Crime Victim Compensation Fund (Fund 3FV0), which is used to disburse a federal formula grant awarded for providing compensation benefits to crime victims. Revenues largely track with expenditures; the annual ending cash balance of the fund generally is under \$300,000. The appropriations for FY 2024 and FY 2025 represent a decrease from FY 2023 expenditures due to reduced federal funding.

C1:8: Rape Crisis Centers (ALI 055501)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 055501, Rape Crisis Centers	\$7,299,817	\$15,300,000	\$15,300,000
% change	--	109.6%	0.0%

This item supports the provision of grants to eligible rape crisis programs across the state. The entirety of each fiscal year's appropriation is allocated for subsidies/grants. The budget earmarks \$300,000 in each fiscal year to be distributed to the Cleveland Rape Crisis Center to provide services for at-risk youth through the Cleveland Rape Crisis Center Human Trafficking Drop-in Center.

In FY 2022, this line item provided grants to 33 agencies for rape crisis programs. The appropriation for FY 2024 represents an increase of 109.6%, or \$8.0 million, from FY 2023 expenditures. According to the Attorney General, the increase will support additional grants and larger awards, with a focus to build capacity in counties without full range of services.

Examples of services provided include legal assistance, assistance with housing, emergency shelter, employment assistance, and crisis counseling.

The appropriation for FY 2024 represents an increase of 300.0%, or \$7.5 million, from FY 2023 expenditures. According to the Attorney General, the increase will support additional grants and larger awards, with a focus to build capacity in counties without full range of services.

Temporary law requires the following amounts to be distributed in each fiscal year: (1) \$25,000 to Ohio domestic violence shelters to buy transportation vouchers, ridesharing credits, or gas cards for eligible clients, (2) \$50,000 to the Battered Women's Shelter of Summit and Medina Counties for the cost of operating the commercial kitchen located at its Market Street Facility, (3) \$50,000 to the Battered Women's Shelter of Portage County, and (4) \$300,000 to the Battered Women's Shelter of Summit and Medina Counties for expenses related to the creation and implementation of a pilot program called "Finding my Childhood Again."

C1:11: Domestic Violence Shelter (ALI 055621)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
DPF Fund 4170 ALI 055621, Domestic Violence Shelter	\$20,816	\$25,000	\$25,000
% change	--	20.1%	0.0%

This line item supports the operation of domestic violence shelters. The line item's appropriation is supported by money from the Domestic Violence Shelters Fund (Fund 4170). Fund 4170's revenue comes from counties, which collect part of the fees from marriage licenses and divorce and dissolution decrees to support domestic violence shelters. Any amount collected by counties for this purpose that is not spent in the fiscal year must be sent to the Attorney General's Office for disbursement to a domestic violence shelter. Most counties spend all of their funding every year. This pass-through revenue is, therefore, unpredictable in any given year.

The Academy also administers e-OPOTA, an online learning resource with an emphasis on continuing professional training (CPT) for peace officers and troopers.

Beginning March 2020, COVID-19 restrictions temporarily suspended in-person training. As a result, the Attorney General accelerated its plan to update the model by which OPOTA offers instruction. When training resumed in September 2020, it was limited to the London Academy. The Richfield campus has remain closed except for its occasional use as a regional training site. These changes relate to advanced training, as OPOTA has not run a statewide basic academy training program since CY 2009. In FY 2022, 52% of all advanced training offered by OPOTA was conducted in regional locations statewide.

% change	--	53.7%	0.0%

The entirety of this line item is disbursed as grants to law enforcement and other government agencies primarily for the purpose of expanding or replicating successful law enforcement programs that address the opioid epidemic similar to the Drug Abuse Response Team (DART) established by the Lucas County Sheriff's Department and the quick response teams established in Colerain Township's Department of Public Safety in Hamilton County and Summit County.

For the FY 2022-FY 2023 biennium, 23 law enforcement agencies received DART grants, with awards ranging from \$31,000 to \$93,000 based on area population, program history, and other factors.

Related temporary law requires that each recipient of funding submit, within six months of the end date of the grant, a written report describing the outcomes that resulted from the grant to the Governor, President of the Senate, the Speaker of the House of Representatives, and the minority leaders of the Senate and the House of Representatives.

C3:3: Cyber Crime Division Expansion (ALI 055446)

GRF ALI 055446, Cyber Crime Division Expansion	--	\$750,000	\$750,000
% change	--	--	0.0%

This new line item will be used to provide funding to update technological resources within BCI's Cyber Division, including licenses for essential forensic software. With the technology updates, BCI will be able to maintain its current level of services, and reduce the turnaround time for completion of device analysis. The updated technology applications are expected to reduce average turnaround time for analyzing electronic devices from 90 to 72 days.

C3:4: Ohio Law Enforcement Gateway – (OHLEG) (ALI 055447)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 055447, Ohio Law Enforcement Gateway – (OHLEG)	--	\$1,250,000	\$0
% change	--	--	-100.0%

This new line item will be used to enhance the Ohio Law Enforcement Gateway (OHLEG) by establishing the foundation of Computer Aided Dispatch, expanding the ability to electronically transfer the case files to the prosecutors in 46 counties from OHLEG's record management system (RMS), and upgrading the RMS to integrate sex offender information to over 300 law enforcement agencies that use the system.

C3:5: School Safety Training Grants (ALI 055502)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 055502, School Safety Training Grants	\$11,580,938	\$12,000,000	\$12,000,000
% change	--	3.6%	0.0%

This line item is used for grants to public and chartered nonpublic schools, educational service centers, schools operated by county boards of developmental disabilities, and law enforcement for school safety and school climate programs and training. Temporary law permits the grants to be used for: (a) school resource officer certification training, (b) any type of active shooter and school safety training or equipment, (c) all grade level type educational resources, (d) training to identify and assist students with mental health issues, (e) school supplies or equipment related to school safety or for implementing the school's safety plan, and (f) any other training related to school safety.

The Attorney General is required to operate the grant program in consultation with the Director of Education and Workforce and the Director of Mental Health and Addiction Services.

C3:6: Law Enforcement Training (ALI 055509)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 055509, Law Enforcement Training	\$741,553	\$40,000,000	\$40,000,000
% change	--	5,294.1%	0.0%

This line item is used by the Attorney General for state funding of the training of peace officers and troopers.³ Related temporary law: (1) permits the Attorney General to use up to \$100,000 for associated administrative expenses, and (2) reappropriates, with Controlling Board approval, the line item's unexpended, unencumbered balance at the end of FY 2024 to FY 2025 for the same purpose. A discussion of the expansion of the program can be found above under the "**Budget highlights**" section.

The budget (1) removes the requirement that the Ohio Peace Officer Training Commission set the required number of continuing professional training hours based upon available funding for reimbursement, and (2) provides that a minimum of 24 hours of continuing professional training must be reimbursed each calendar year, and a maximum of 40 hours of continuing professional training may be reimbursed each calendar year.

C3:7: DARE Programs (ALI 055606)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
DPF Fund 4L60 ALI 055606, DARE Programs	\$2,038,384	\$2,300,000	\$2,300,000
% change	--	12.8%	0.0%

This line item is disbursed primarily as grants to law enforcement agencies to establish and implement drug prevention programs in public schools. Grants cover up to 50% of salaries for DARE-certified officers and school resource officers conducting the program, not including fringe benefits such as insurance and retirement. All claimable hours stem from the time spent in the classroom. For every one hour of classroom time, officers can claim up to two hours of classroom preparation time, one hour of counseling, and one hour of unique events. Additionally, the grant provides 100% reimbursement for related instructional materials such as workbooks and pamphlets. A total of 131 participating law enforcement agencies have received almost \$1.3 million in salary and materials reimbursements for their officers.

The line item's appropriation is supported by money drawn from the Drug Abuse Resistance Education Programs Fund (Fund 4L60). Fund 4L60 consists of a \$75 portion of the \$425 fee collected for the reinstatement of a driver's license that was suspended for operating a motor vehicle while under the influence of alcohol or drugs. The Attorney General is statutorily restricted from using more than 6% of the amounts received to pay costs it incurs in administering the grant program and providing training and materials relating to drug abuse resistance education programs. Revenues in recent years have experienced declines largely due to a decrease in OVI-related convictions.⁴

C3:8: Cyber Security/Technology Upgrades (ALI 055672)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
DPF Fund 5AW1 ALI 055672, Cyber Security/Technology Upgrades	--	\$6,500,000	\$0
% change	--	--	-100.0%

This new line item will be used to upgrade multiple legacy systems to prevent critical security threats, maintain IRS and Criminal Justice Information Services (CJIS) compliance requirements, and reduce the costs of service and maintenance. This line item's appropriation will be supported by a portion of the FY 2023 GRF surplus revenue credited to the newly created Cyber Security/Technology Upgrades Fund (Fund 5AW1).⁵

⁴ OVI-related convictions decreased by 12.6%, from 50,509 in 2012 to 44,159 in 2019. In 2020, convictions totaled 32,631, a decrease of 26.1%, or 11,528, from 2019, largely reflecting the effects of COVID-19 in reducing the volume of vehicle traffic and modifying traffic law enforcement.

⁵ Section 513.10 of H.B. 33.

C3:9: Stop Bullying License Plate (ALI 055435)

Fund/ALI	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
DPF Fund 5VL0 ALI 055435, Stop Bullying License Plate	\$7,000	\$3,000	\$2,500
% change	--	-57.1%	-16.7%

This line item is used to fund grants to nonprofit organizations, school districts, community schools, and STEM schools that provide bullying prevention training programs or educational opportunities.

The grant money is distributed from the Stop Bullying License Plate Contribution Fund (Fund 5VL0), which receives its revenue from the \$25 annual contribution a person must pay when a "Stop Bullying" license plate is issued or renewed. The fund was created in S.B. 86 of the 132nd General Assembly. At the end of CY 2021, a total of 89 of these license plates were active.

HLD Fund R004 ALI 055631, General Holding Account	\$26,473,596	\$1,000,000	\$1,000,000
% change	--	-96.2%	0.0%

Generally, funds provided under this line item are distributed under the terms of the relevant court orders or other settlements. Recurring temporary law allows for automatic appropriation increases as necessary.

This line item is also used to disburse Ohio Body Armor Program grants. The funding is transferred from the Bureau of Workers' Compensation's budget. A local law enforcement agency that has a mandatory wear policy for all uniformed officers on duty is eligible to receive up to \$40,000 in grant funding, with a required 25% local match, to purchase body armor that meets National Institute of Justice standards.
