State Library Board

Quick look...

- The State Library Board (LIB) provides library and information services and materials to Ohio’s state government, local libraries, educational institutions, and residents; promotes coordination among library systems; and acts as a depository for state and federal government documents. LIB’s budget also houses the Ohio Public Library Information Network (OPLIN).
- The State Library Board consists of five members. The budget shifts the Board’s appointing authority from the State Board of Education to the Director of Education and Workforce as part of the budget’s transfer of state K-12 education governance to the Department of Education and Workforce. The State Library Board appoints the 11-member OPLIN Board of Trustees.
- The State Librarian oversees the day-to-day operation of the State Library and its roughly 50 staff. Each of the state’s 251 public library systems use State Library and OPLIN services.
- The budget appropriates \$24.9 million in each year of the biennium.
 - Primary sources of the budget: GRF (21.4%), state non-GRF (56.7%), and federal (21.8%).

Analysis of FY 2024-FY 2025 budget

Summary

The State Library Board’s (LIB) budget consists of eight appropriation line items (ALIs). Of those, three are supported by the GRF, four are supported by state non-GRF appropriations in the Dedicated Purpose Fund (DPF) and Internal Service Activity (ISA) fund groups, and one is supported by federal grants. The budget provides overall funding of \$24.9 million each fiscal year, an increase of 3.8% from FY 2023 expenditures. LIB’s GRF appropriations total to \$5.3 million each fiscal year, an increase of 2.5% from FY 2023 expenditures. The majority (56.7%) of LIB’s budget consists of state non-GRF funds that primarily support the Ohio Public Library Information Network (OPLIN) and services provided to libraries. The remainder of the LIB budget is nearly evenly split between the GRF (21.4%) and federal funding (21.8%). For organizational purposes, this analysis groups LIB’s eight line items into two major functional categories: (1) library services

and support and (2) Ohio Public Library Information Network. Each LIB appropriation item is discussed in more detail below.

Library services and support

Line items in this category support State Library operations, provide library services to state government and local communities, and provide financial support for local library programs and special activities.

Operating Expenses (ALI 350321)

FY 2020 Actual	FY 2021 Actual	FY 2022 Actual	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 350321, Operating Expenses					
\$4,708,061	\$4,053,087	\$4,341,234	\$4,424,461	\$4,527,000	\$4,527,000
% change	-13.9%	7.1%	1.9%	2.3%	0.0%

This line item is the primary source of state operating support for the State Library's services to state government and Ohio library communities. It provides funds for payroll and fringe benefits, maintenance and equipment (including building rent), the acquisition of library materials, and other administrative costs.

Specifically, this line item supports materials circulation, reference services, access to research databases, and services to assist users in finding materials held by libraries around the state through the OhioLINK system. Additional funded activities include digital cataloging for state agency documents; maintaining library catalogs for the Bureau of Workers' Compensation, the Ohioana Library, and the Ohio School for the Deaf; and providing meeting facilities for state agencies.

This line item also funds services to Ohio library communities, including staff to administer the Serving Every Ohioan (SEO) consortium's shared online catalog service for 98 local library systems and to coordinate the Statewide Delivery System and its associated online catalog application. Funds also support the costs for State Library staff to provide consulting services to local libraries, the lending of Talking Book machines to participating libraries, and coordination of the Ohio Digital Library to provide digital content to local libraries. Additional appropriations for services to Ohio library communities are supported by state non-GRF funds in Fund 4590 line item 350603, Services for Libraries, which is supported by service charges, and federal funding in Fund 3130 line item 350601, LSTA Federal.

Ohioana Library Association (ALI 350401)

FY 2020 Actual	FY 2021 Actual	FY 2022 Actual	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 350401, Ohioana Library Association					
\$295,114	\$282,114	\$303,102	\$302,026	\$314,000	\$314,000
% change	-4.4%	7.4%	-0.4%	4.0%	0.0%

This line item provides state support for the Ohioana Library Association (OLA), an independent, nonprofit entity governed by a board of trustees that is dedicated to collecting and promoting literary works by Ohio authors or about Ohio or Ohioans. The appropriation supports a portion of OLA's operating expenses, including some payroll and benefit costs associated with the management of the library's collection and programs. OLA also uses this subsidy to leverage private, independent funds to support OLA and its services. The budget sets aside \$195,000 in each fiscal year for OLA's operating expenses and allocates the remaining \$119,000 for rental payments for the space OLA leases in the State Library.

Regional Library Systems (ALI 350502)

FY 2020 Actual	FY 2021 Actual	FY 2022 Actual	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
GRF ALI 350502, Regional Library Systems					
\$492,000	\$484,000	\$480,000	\$480,000	\$494,000	\$494,000
% change	-1.6%	-0.8%	0.0%	2.9%	0.0%

This line item supports Ohio's four regional library systems that coordinate the sharing of resources and materials among their member libraries. The systems are the Northeast Ohio Regional Library System (NEO-RLS), Northwest Regional Library System (NORWELD), Southeast Regional Library System (SERLS), and the Southwest Ohio and Neighboring Libraries (SWON). The four systems provide educational and technology training programs and workshops, coordinate regional library programs, and deliver technology support and consulting services to member libraries and their staffs. Each system receives exactly one-quarter of this appropriation annually, amounting to \$123,500 per system per fiscal year under the budget.

Services for Libraries (ALI 350603)

FY 2020 Actual	FY 2021 Actual	FY 2022 Actual	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
Fund 4590 ALI 350603, Services for Libraries					
\$3,546,322	\$3,340,707	\$3,751,889	\$5,894,676	\$6,818,338	\$6,818,338
% change	-5.8%	12.3%	57.1%	15.7%	0.0%

This line item uses revenues from charges to local libraries and other local entities for State Library services primarily to support two programs: the Serving Every Ohioan (SEO) consortium's shared online catalog service for 98 local library systems and the Statewide Delivery Services Program, which facilitates the sharing of library books and materials between local library systems.

Spending in FY 2023 and appropriations for FY 2024 and FY 2025 are higher than in previous years due to increased delivery system costs resulting from higher diesel fuel prices and a new contract structure in which the State Library handles all invoices and receives reimbursement from OhioLINK for its portion of the costs rather than the Statewide Delivery Service vendor billing OhioLINK directly, as under the previous contract.

Library for the Blind (ALI 350605)

FY 2020 Actual	FY 2021 Actual	FY 2022 Actual	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation
Fund 5GB0 ALI 350605, Library for the Blind

% change	0.0%	0.0%	0.0%	0.0%	0.0%

This line item provides funding for the Ohio Library for the Blind and Print Disabled (OLBPD) at the Cleveland Public Library to operate the statewide Talking Book Program. The program assists persons who are blind, visually impaired, reading disabled, and print disabled with access to books through specialized audio devices. Through agreements with the State Library, local public libraries, social services organizations, or other agencies lend specialized “Talking Book” machines to eligible individuals in their area. The Cleveland Public Library circulates braille and audio reading materials statewide. The Library of Congress’ National Library Service for the Blind and Print Disabled supplies nearly all of the physical inventory of audio books, recorded magazines, and braille materials, as well as playback equipment. The budget funds this line item by a yearly transfer of \$1.3 million from the Public Library Fund (Fund 7065) to the Library for the Blind Fund (Fund 5GB0). Federal funding from the Institute of Museum and Library Sciences provides an additional \$234,000 to OLBPD in each fiscal year, appropriated in Fund 3130 line item 350601, LSTA Federal.

Services for State Agencies (ALI 350602)

FY 2020 Actual	FY 2021 Actual	FY 2022 Actual	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation

% change	-71.4%	-100%	N/A	N/A	0.0%

This line item supports the State Library’s services to state government through fees collected from state agencies that use the Library’s services. Most fee revenue comes from charges for cataloging services provided to state agencies, while other revenue comes from salvaged property or assets.

LSTA Federal (ALI 350601)

FY 2020 Actual	FY 2021 Actual	FY 2022 Actual	FY 2023 Actual	FY 2024 Appropriation	FY 2025 Appropriation

% change	19.5%	49.7%	-34.6%	-10.5%	0.0%

The State Library uses moneys received from the Institute of Museum and Library Services (IMLS) under the federal Library Services and Technology Act (LSTA) for a variety of eligible activities. Initiatives supported by this line item include consulting and other services provided to Ohio library communities, operating the Serving Every Ohioan Library Center, and providing access to materials and electronic databases. LIB also uses LSTA funds to support various competitive grants to local libraries. Spending in this item was elevated from FY 2021 to FY 2023 due to temporary IMLS funding made available under federal coronavirus relief acts.

IMLS requires states receiving LSTA grants to match their federal awards at 34%, which Ohio meets using portions of appropriations from line items 350502, 350604, and 350605 that qualify under the LSTA guidelines. LSTA matching funds are also obtained from subgrantee projects. As noted above, a small portion of LSTA grant funding is used to supplement state funding for the Ohio Library for the Blind and Print Disabled Program from line item 350605, Library for the Blind.

Ohio Public Library Information Network

This category includes one line item that supports the Ohio Public Library Information Network (OPLIN). OPLIN is governed by an 11-member board appointed by the State Library Board and exists as an independent entity administratively attached to the State Library of Ohio.

Ohio Public Library Information Network (ALI 350604)

% change	26.5%	-11.1%	-1.4%	8.9%	0.0%

With funding from this line item, OPLIN operates a statewide network that provides public libraries with free broadband internet access, information and research database subscriptions, and access to Ohio-specific content. The budget primarily funds OPLIN through transfers of \$3.7 million in each fiscal year from the Public Library Fund (Fund 7065) to the OPLIN Technology Fund (Fund 4S40). Fund 4S40 also receives revenue through E-Rate reimbursements and fees libraries pay for specific OPLIN services.
