Agency overview

The Joint Legislative Ethics Committee (JLEC) was created to serve the General Assembly and is charged with two primary responsibilities: (1) to administer the laws regarding ethics that relate to members and employees of the General Assembly and (2) to administer Ohio’s lobbying laws governing the registration and reporting requirements of legislative agents, executive agency lobbyists, and their employers. Specific duties include the following:

- Establishing and enforcing a standard code of ethics;
- Receiving and hearing complaints alleging breaches of privilege, misconduct, or ethics violations;
- Investigating and conducting hearings with respect to any complaint;
- Recommending appropriate sanctions for violators of the ethics code;
- Acting as an advisory body on questions relating to ethics, conflicts of interest, and financial disclosure;
- Conducting training sessions regarding ethics or lobbying regulations;
- Administering the annual financial disclosure forms of legislative officials and staff;
- Administering legislative, retirement system, and executive agency lobbyist registrations and filings; and
- Administering the post-employment disclosure law.

JLEC is a 12-member legislative committee, which is assisted in its duties by the Office of the Legislative Inspector General (OLIG). The Speaker of the House of Representatives and the President of the Senate each appoint six members from their respective chambers to serve on the legislative committee, with not more than three being from the same political party. OLIG consists of the Legislative Inspector General and five other full-time staff.

Analysis of FY 2026-FY 2027 budget proposal

R.C. 107.03(D) states that “no alterations shall be made in the [budget] requests for the legislative and judicial branches of the state filed with the director of budget and management” Therefore, the Governor has made no alterations to the budget request submitted by JLEC. The agency requested a total budget of \$873,000 for each of FY 2026 and FY 2027 to maintain existing service and staffing levels. This is the same level of annual funding provided by H.B. 33 of the 135th General Assembly for FY 2024 and FY 2025.

Proposed budget by expense category

Chart 2 shown in the preceding “Quick look” section presents the executive recommended biennial appropriation of \$1.7 million (FY 2026 and FY 2027 combined) by expense category. Approximately 75.6% (\$1.3 million) of the appropriation is allocated for personal services (payroll), with the remaining 24.4% (\$425,600) for supplies and maintenance and purchased personal services. These allocations may change over the course of the biennium, but historically, these percentages have remained relatively consistent from year to year.

JLEC's three appropriation line items together support the operating expenses of the agency, including OLIG. As indicated in the preceding "**Quick look**" section, the GRF provides 80% of the funding for JLEC. This funding is appropriated to line item 028321, Legislative Ethics Committee.
