OCCCD1 Wireless service providers exempt from OCC assessment

No provision.

R.C. 4911.18

Exempts a wireless service provider or reseller, to the extent either are providing wireless service, from being considered a "public utility" subject to the assessment for purposes of funding OCC.

Fiscal effect: Reduces assessments on wireless service providers, but it does not reduce OCC appropriation. Other companies will pay higher amounts to offset the amounts not assessed on wireless companies.
