INSCD4 Long-term care insurance continuing education requirements

No provision.

No provision.

R.C. 3923.443

Aligns the deadline for a long-term care insurance agent to complete the four hours of continuing education required by continuing law with the agent's two-year license renewal period, as opposed to the two-year period beginning January 1.

Makes selling, soliciting, or negotiating long-term care insurance before satisfying the continuing education requirement an unfair and deceptive practice in the business of insurance, in contrast to current law, under which simply failing to satisfy the continuing education requirement qualifies as such.

Fiscal effect: None.
