<p>Fiscal effect: OBM estimates that up to \$161.4 million in FY 2026 and up to \$167.4 million in FY 2027 will be transferred to the Sports Facilities Construction and Sports Education Fund. However the bill does not contain an appropriation for OFCC to operate the fund or program.</p>	<p>Fiscal effect: Eliminates the funding in the Executive version from sports gaming tax revenue. Instead, authorizes TOS to issue and sell bonds in the amount of up to \$600 million deposited to the credit of the Cultural and Sports Facilities Building Fund (Fund 7030) to pay the costs of the Cleveland Browns major sports facility stadium project in the City of Brook Park, in Cuyahoga County (see FCCCD17). To use those bonds, the bill requires, among other things, that the projected amount of increased state tax revenues to be greater than the total debt service of the state bonds for their initial term. Administrative costs may increase for the governmental agency that owns or has an ownership interest in the major sports facility or its site to comply with certain tax reporting requirements. Tax revenue may increase for a municipal corporation transformational that has a major sports facility mixed-use project district.</p>
