Disciplinary grounds – failure to cooperate

(R.C. 4723.28)

The bill establishes an additional reason for the Board of Nursing to impose professional discipline on the holder of a nursing license or dialysis technician certificate – that the holder failed to cooperate with an investigation conducted by the Board. Under its existing rulemaking authority, the Board could extend this additional reason for taking disciplinary action to its regulation of medication aides and community health workers.¹⁴⁷

Failure to cooperate includes (1) failing to comply with a Board-issued subpoena or order or (2) failing to answer truthfully a question presented by the Board in an investigative interview, in an investigative office conference, at a deposition, or in written interrogatories. The bill also clarifies that failure to cooperate does not include failing to comply with a subpoena quashed by a court or, as permitted by court order, withholding evidence or testimony.
