DASCD23 Paid leave for emergency medical or firefighting service

R.C. 124.1310

Increases, from 40 to 120 hours, the amount of paid leave a state employee may use each year to provide emergency medical or firefighting services. Expands the reasons for which a state employee may use the leave to include attending a training or continuing education program that relates to providing emergency medical or firefighting services.

Fiscal effect: Additional paid leave for state employees who provide emergency medical or firefighting services would not directly increase costs for state agencies, as these employees would otherwise receive their regular pay at the same rate. However, state agencies could incur some additional costs if the employee's leave results in overtime or a need to hire additional staff to cover the employee's workload while on leave.

R.C. 124.152, Sections 503.15 and 701.30

Replaces the Executive provision with provisions that codify modifications to exempt state employee pay schedules E-1 and E-2 for FY 2025 made by the DAS Director pursuant to H.B. 2 of the 135th General Assembly, and establish exempt employee pay schedules E-1 and E-2 for FY 2026 and FY 2027.

Fiscal effect: Any fiscal effect would depend on the exempt salary schedules developed by the DAS Director. Presumably they would mirror the existing E-1 and E-2 salary schedules initially, but any future changes are unknown.

Fiscal effect: The FY 2026 and FY 2027 exempt employee pay schedules include pay increases of approximately 4.5% for FY 2026 and 3% for FY 2027. State agencies will incur similar increases in payroll costs as a result. Payroll costs are paid from both GRF and non-GRF funds.

Makes, for future collective bargaining agreements, state employee work location under the amendment not an appropriate subject of collective bargaining and states that the law regarding state employee work location prevails over a conflicting provision in a future collective bargaining agreement.

No provision.

Requires a state employee to attest on the employee's timesheet that the employee has complied with a state agency's plan described above or an exception applies.

No provision.

Exempts a state employee receiving a reasonable accommodation under the ADA or Ohio Civil Rights Law from the attestation requirement described above.

No provision.

Designates Rita Community School, currently operating as St. Rita School for the Deaf, a chartered nonpublic school in Hamilton County, as a division of ODBES and subjects the school to regulations adopted by DEW. Clarifies that Rita Community School is not considered a "community school" (also known as a charter school nationally) under continuing law.

No provision.

Subjects students in Rita Community School to the same assessment requirements as other public school students.

No provision.

Permits students at Rita Community School to participate in the College Credit Plus Program in the same manner as students at the State School for the Deaf and the State School for the Blind.

No provision.

Requires the Department of Administrative Services (DAS) to determine the amount of funding needed for the state to purchase the building in which the school is housed and the accompanying 20 acres of land on which the building is located so that the school may become a public school under the supervision of ODBES.

Executive

As Reported By House Finance

Fiscal effect: The bill earmarks up to \$500,000 in FY 2026 from GRF ALI 226321, Operations, to support the transition of St. Rita School for the Deaf to Rita Community School (see OSBCD4). Increases state expenditures to purchase the building and land, at an amount that DAS will determine, and on ongoing basis depending on enrollment, student needs, and educational programming beginning in FY 2027, when the transition is complete. In FY 2025, the school's enrollment is 58 students. Of those, 25 are on either an Autism or Jon Peterson Special Needs state scholarship. State costs to operate the school will be partially offset by lower scholarship costs since the state would not pay for scholarships for the students once the school becomes a public school. In FY 2025, scholarships for the students likely total in the \$500,000 to \$600,000 range.
