<b>R.C.        3345.06</b>	<b>R.C.        3345.06</b>	<b>R.C.        3345.06</b>
Guarantees admission to a state institution of higher education for each high school graduate in the top 10% of the graduate's graduating class.	Same as the Executive.	Same as the Executive.
Permits a state university to delay admission to its main campus and, instead, admit a student to a regional campus if the student does not meet the standards for unconditional admission.	Same as the Executive.	Same as the Executive.
Guarantees admission to the main campus of a state institution to each recipient of the Governor's Merit Scholarship (see BORCD43).	Same as the Executive.	Same as the Executive, but guarantees admission to the main campus of a state institution to each graduate in the top 5% of a high school graduating class, instead of each Governor's Merit Scholarship recipient, provided the recipient meets the application and acceptance deadlines for admission to the main campus.
No provision.	No provision.	Requires ODHE and DEW to identify a process to provide each state institution with information on students who are eligible for guaranteed admission.

Executive	As Passed By House	As Reported By Senate Finance
Fiscal effect: May increase enrollment at state institutions, which would increase tuition revenues as well as instructional costs. State institutions may gain or lose revenue from state share of instruction (SSI) formula payments depending on how the enrollment of these individuals changes the institution’s share of institutional outcome factors used in the formula.	Fiscal effect: Same as the Executive.	Fiscal effect: Same as the Executive, but may increase administrative costs for ODHE and DEW to provide each state institution with information on all eligible students for guaranteed admission.
BORCD117 American civic literacy course exemptions		
No provision.	No provision.	R.C. 3345.382 Requires each board of trustees of a state institution of higher education to adopt a resolution specifying the conditions under which the institution's president or the president's designee may grant an exemption from the American civic literacy course requirement to a student who has completed at least three credit hours, or the equivalent, in a course in American history or American government.
No provision.	No provision.	Limits that exemption by requiring the course to include the study of the same documents required for the American civic literacy course and eliminating the exemption after the 2030-2031 academic year. Fiscal effect: Minimal.
BORCD107 Curricular approval process		
No provision.	R.C. 3345.451 Grants the board of trustees of a state institution of higher education unilateral and ultimate authority to establish new academic programs, schools, colleges, institutes, departments, and centers at the institution.	No provision.
No provision.	Prohibits a board from delegating its authority to adopt a curricular approval process or to approve or reject academic programs.	No provision.

Executive	As Passed By House	As Reported By Senate Finance
No provision.	Requires the board to adopt a curricular approval process for the establishment and modification of academic programs, curricula, courses, general education requirements, and degree programs. Requires that approval process to (1) grant the faculty senate, or a comparable representative body, the opportunity to provide advice on the establishment and modification of each of those subjects, (2) clarify that all faculty feedback and recommendations is advisory in nature, and (3) retain the board's final, overriding authority to establish or reject establishment or modification of any of those subjects.	No provision.
No provision.	Requires the board to develop its initial curricular approval process within six months of the bill's effective date unless the institution's president grants a one-month extension, update its curricular approval process every five years, and submit each version of the process to the Chancellor.  <b>Fiscal effect: Minimal increase in administrative workload for state institutions of higher education.</b>	No provision.
<b>BORCD108 In-state undergraduate guaranteed tuition and fees</b>		
No provision.	<b>R.C.            3345.48</b>  Prohibits each state university from charging a guaranteed amount of tuition and fees to the cohort entering in the 2025-2026 or 2026-2027 academic year that is more than 3% above what was charged to the prior academic year's cohort.	<b>R.C.            3345.48</b>  Same as the House, but increases from 3% to 4% the amount that a state university may increase its guaranteed amount of tuition and fees over what was charged in the prior academic year for a cohort entering in the 2025-2026 or 2026-2027 academic year.

Executive	As Passed By House	As Reported By Senate Finance
No provision.	<div>No provision.</div> <div>Fiscal effect: Under current law, each state university is prohibited from charging a guaranteed amount of tuition and fees to the cohort entering in the 2023-2024 or 2024-2025 academic year that is more than 3% above what was charged to the prior academic year’s cohort. Except for those two academic years, a state university is otherwise permitted under continuing law to increase its guaranteed tuition amounts by up to the sum of the average rate of inflation for the previous 36-month period and the percentage amount the General Assembly restrains increases on in-state undergraduate instructional and general fees for the applicable fiscal year. Therefore, if the amount calculated under continuing law will otherwise be greater than 3% in FY 2026 and FY 2027, state universities may forgo revenue for not being able to charge the higher guaranteed tuition rate.</div>	<div>Authorizes, for cohorts entering a state university beginning in the 2027-2028 academic year and cohorts thereafter, a state university to increase the percentage of the tuition and fees it may charge a cohort under the tuition guarantee program by either (1) the percentage amount the General Assembly restrains increases for the applicable fiscal year or, if the General Assembly does not set a limit on the increase, (2) the average rate of inflation, as measured by the Consumer Price Index, for the previous 36-month period, instead of the sum of both or no limit if the General Assembly does not enact a limit on the increase as under current law.</div> <div>Fiscal effect: Same as the House, but may reduce the amount of revenue state universities may forego for not being able to charge a higher guaranteed tuition rate if the amount calculated under continuing law would otherwise be greater than 4% in FY 2026 and FY 2027. On the other hand, if a 4% increase in each fiscal year is higher than the amount calculated under continuing law state universities may experience an increase in revenues. Beginning in FY 2028, state universities may continue to forgo revenue assuming either the percentage amount the General Assembly restrains tuition and fee increases or the average rate of inflation for the previous 36-month period is lower than they could have charged otherwise under current law.</div>
BORCD121 Ohio Civics Board		
No provision.	<div>No provision.</div>	<div>R.C. 3345.58</div> <div>Establishes the Ohio Civics Board, consisting of the directors of the five centers (Cleveland State, Miami, Ohio State, Toledo, Wright State) for civics, culture, and society and</div>

<b>BORCD23   SSI-Degree attainment calculation for universities</b>		
<b>Section:   381.240</b>	<b>Section:   381.240</b>	<b>Section:   381.240</b>
Reserves 50% of the amount earmarked for traditional SSI for universities in each fiscal year from ALI 235501 to support associate, baccalaureate, masters, and professional level degree attainment. Requires that degree attainment funding be allocated to universities in proportion to each campus's share of the total statewide degrees granted, weighted by the cost of the degree programs.	Same as the Executive.	Same as the Executive.
Requires, for degrees including credits earned at multiple institutions, that degree attainment funding be allocated to universities in proportion to each campus's share of the student-specific cost of earned credits for the degree.	Same as the Executive.	Same as the Executive.
Requires that each institution receive its prorated share of degree funding for credits earned at that institution and that the cost of credits not earned at a university main or regional campus be credited to the degree-granting institution for the first degree earned by a student at each degree level.		
Requires that the cost credited to the degree-granting institution not be eligible for at-risk weights and limits the cost credited to 12.5% of the student-specific degree costs, unless the student transferred 12 or fewer credits into the degree granting institution.		
Requires that the count for degree attainment include degrees earned by students identified as Ohio residents in any term, weighted by a factor of 1, and degrees earned by students identified as out-of-state students during all terms that remain in Ohio at least one year after graduation, weighted by a factor of 50%. Defines subsidy eligible associate degrees as those earned by students attending any state supported university main or regional campus.	Same as the Executive.	Same as the Executive.

Executive	As Passed By House	As Reported By Senate Finance
Requires, in calculating campus' degree counts, the Chancellor to use the three-year average associate, baccalaureate, master's, and professional degrees awarded for the most recent three-year period agreed to by the Inter-University Council (IUC) and the Chancellor. Limits, if a student is awarded an associate degree and later is awarded a baccalaureate degree, the amount funded for the baccalaureate degree to either (1) the difference in cost between the cost of the baccalaureate degree and the cost of the previous associate degree, or, (2) if the associate degree has a higher cost than the baccalaureate degree, the cost of the credits earned by the student after the associate degree was awarded. Specifies that in these instances the associate degree granting institution receive only the prorated share of the baccalaureate degree funding for the credits earned at that institution after the associate degree is awarded. Requires, if a student earns more than one degree at the same institution at the same degree level in the same fiscal year, that funding for the highest cost degree be prorated among institutions based on where the credits were earned and additional degrees be funded at 25% of the degree cost.	Same as the Executive.	Same as the Executive.
Requires that eligible associate and baccalaureate degrees counted in degree attainment be weighted by a statewide "at-risk" degree completion weight, calculated based on the at-risk factors of the individual student, determined by calculating the difference between the percentage of students with each risk factor who earned a degree and the percentage of non-at-risk students who earned a degree. <b>BORCD112 SSI-College Credit Plus (CCP) pathways and accelerated ninety-hour degree program set-aside for universities</b>		
	<b>Section: 381.240</b>	
No provision.	Reserves 5% of the amount earmarked for traditional SSI for universities in each fiscal year from ALI 235501 to support CCP pathways and accelerated ninety-hour degree programs (see BORCD113).	No provision.
No provision.	Requires this set-aside to be allocated to universities in proportion to each campus's share of the total statewide enrollment in CCP pathways and accelerated ninety-hour degree programs.	No provision.

Executive	As Passed By House	As Reported By Senate Finance
No provision.	Requires the Chancellor, in calculating the subsidy entitlements for enrollment in CCP pathways and accelerated ninety-hour degree programs, to weight students who are residents in any term of their studies by a factor of 1 and students identified as out-of-state during all terms of their studies who remain in Ohio at least one year after graduation, as calculated based on the three-year average in-state residency rate using unemployment wage data for out-of-state graduates at each institution, by a factor of 50%. Requires the Chancellor, in calculating each campus' CCP pathways and accelerated ninety-hour degree programs, to use the three-year average enrollment for the most recent completed three-year period that is practicable as determined by the Inter-University Council and the Chancellor.	No provision.
<b>BORCD26 SSI-Course completions calculation for universities</b>		
<b>Section: 381.240</b>	<b>Section: 381.240</b>	<b>Section: 381.240</b>
Requires that, in calculating course completion funding for universities, the Chancellor only use FTEs who successfully complete a course.	Same as the Executive.	Same as the Executive.
Requires that successful course completion FTE students defined as "at-risk" based on academic under-preparation or financial status are to be weighted by (1) institution-specific course completion indexes calculated based on the number of at-risk students enrolled during the prior three calendar years, and (2) statewide at-risk course completion weights determined by the difference between the percentage of traditional students completing the course and the percentage of at-risk students completing the course.	Same as the Executive.	Same as the Executive.

Executive	As Passed By House	As Reported By Senate Finance
Requires that, except for Medical I and Medical II models, all models have their course completion earnings determined by multiplying per FTE curriculum model costs by model weights and by the average number of subsidy-eligible FTEs for the most recent three-year period as agreed to by IUC and the Chancellor.	Same as the Executive.	Same as the Executive.
Requires that the course completion earnings be calculated by dividing the amount earmarked for traditional SSI for universities in each fiscal year from ALI 235501, less the degree attainment funding, the doctoral set-aside, and the medical set-asides, by the sum of all universities' instructional costs.	Same as the Executive, but adds the student success set-aside and the College Credit Plus pathways and accelerated ninety-hour degree programs funding set-aside to the calculation for course completions (see BORCD111 and BORCD112). <b>BORCD27   SSI-Calculation for community colleges</b>		
<b>Section:   381.240</b>	<b>Section:   381.240</b>	<b>Section:   381.240</b>
Reserves 50% of the amount earmarked for traditional SSI for community colleges in each fiscal year from ALI 235501 for course completion FTEs as aggregated by the subsidy models. Specifies that the course completion funding be allocated to campuses in proportion to each campus's share of the total sector's course completions, weighted by the instructional cost of the subsidy models.	Same as the Executive.	Same as the Executive.
Requires that calculations of course completions for these colleges use the average course completions for the previous three years for students identified as Ohio residents and that the subsidy eligible enrollments by model be equal to only those FTEs who successfully complete the course.	Same as the Executive.	Same as the Executive.

Executive	As Passed By House	As Reported By Senate Finance
Requires that students with successful course completions, that are defined as "access students" based on financial status, minority status, age, or academic under-preparation, have their eligible course completions weighted by a statewide access weight. Specifies the weight given to any student eligible as an "access student" be 15% for all course completions. Specifies that the model costs are to be weighted by the cost of the degree programs.	Same as the Executive.	Same as the Executive.
Reserves 25% of the amount earmarked in each fiscal year for community colleges from ALI 235501 for allocation in proportion to each campus's share of college student success factors. Requires that student success factors be awarded at the institutional level for each subsidy-eligible student that successfully completes: (1) a college-level math course within the first 30 hours of completed coursework; (2) a college-level English course within the first 30 hours of completed coursework; (3) 12 semester credit hours of college-level coursework; (4) 24 semester credit hours of college-level coursework; (5) 36 semester credit hours of college-level coursework.	Same as the Executive.	Same as the Executive.

Executive	As Passed By House	As Reported By Senate Finance
Reserves 25% of the amount earmarked in each fiscal year for community and technical colleges from ALI 235501 for completion milestones. Specifies that completion milestones include (1) baccalaureate degrees, (2) associate degrees, (3) technical certificates over 30 credit hours as designated by ODHE, and (4) students transferring to any four-year institution with at least 12 credit hours of college level coursework earned at that college. Requires that completion milestone funding be allocated in proportion to each campus's share of the sector's total completion milestones, weighted by the instructional costs of the degree, certificate, or transfer models. Specifies that costs for technical certificates over 30 hours be weighted at one-half of the associate degree model costs and transfers with at least 12 credit hours of college level coursework be weighted at one-fourth of the average cost for all associate degree model costs.	Same as the Executive.	Same as the Executive.
Requires that calculations of subsidy entitlements for completions at these colleges use a three-year average for completion milestones awarded to identified subsidy-eligible students in any term of their studies. Specifies that eligible model completions equal only those students who successfully complete a baccalaureate or associate degree, or technical certificate over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours of college-level coursework.	Same as the Executive.	Same as the Executive.

Executive	As Passed By House	As Reported By Senate Finance
Requires that students who are also defined as "access students" based on financial status, minority status, age, or academic under-preparation, have their eligible completion milestones weighted by a statewide access weight. Specifies the following statewide access weights: (1) 25% for students with one access factor; (2) 66% for two access factors; (3) 150% for three access factors; and, (4) 200% for four access factors.	Same as the Executive.	Same as the Executive.
Requires, for those students who complete more than one completion milestone, that funding for each additional degree or technical certificate over 30 credit hours as designated by ODHE be funded at 50% of model costs.	Same as the Executive.	Same as the Executive.
Requires the Chancellor to only include students who are subsidy-eligible and residents of Ohio in any term of their studies in the SSI calculation for community colleges. Also, prohibits the Chancellor from including nonresident students as subsidy- eligible, except for those students under reciprocity agreements or employer contracts.	Same as the Executive. <b>BORCD31 SSI for fiscal years 2026 and 2027</b>		
<b>Section: 381.250</b>  Makes the following earmarks to GRF ALI 235501, State Share of Instruction:  (1) Up to \$100,000,000 in each fiscal year to be distributed to state institutions of higher education according to a formula devised by the Chancellor based on employment and wage outcomes of the graduates of each institution, using data from the U.S. Census Post-Secondary Employment Outcomes (PSEO) project. Requires the formula to use as factors the employment and earnings by the graduates of each institution, measured at the two-digit level of the Classification of Instructional Programs codes by the National Center for Education Statistics.  (2) Up to \$10,000,000 in each fiscal year be distributed to state institutions of higher education according to a formula devised by the Chancellor that provides funding bonuses of \$10,000 per graduate for technician-aligned associate degrees, as determined by OWT, that are produced above a historical baseline of institutional production, as calculated by the Chancellor.  Requires that for each of the earmarks in (1) and (2) that 76.8% of the set-aside be distributed to public universities and regional campuses and 23.2% be distributed to community colleges.  (3) No provision.	<b>Section: 381.250</b>  Same as the Executive, but makes the following changes:  (1) Same as the Executive, but replaces the employment and wage outcomes-based distribution method with a tiered one that favors retention-based outcomes based on factors, including, but not limited to, the number of graduates employed by an Ohio-based employer and employment outcomes of the graduates of each college and university. Prioritizes, using data from the U.S. Census Post-Secondary Employment Outcomes project, graduates who are residents of the state and employed by an Ohio-based employer, followed by graduates who are employed by an Ohio-based employer but are not residents of the state and employment outcomes of the graduates of each institution.  (2) Same as the Executive, but requires the Chancellor, in developing a formula for distribution of this earmark, to give priority to retention-based outcomes and count only graduates who are employed by an Ohio-based employer.  Same as the Executive, but removes the institutional sector percentage distribution for the earmark in (2).  (3) No provision.	<b>Section: 381.250</b>  Same as the House, but makes the following changes:  (1) Same as the House.  (2) Same as the House.  Same as the House. No provision.		No provision.	The bill makes various changes to laws related to AOS, as follows:
No provision.		No provision.	Makes subject to audit any books and records that are both maintained by public officials and contracted out for electronic data processing or computer services. Removes the requirement that the parties give “satisfactory assurance” to AOS that affected records will be subject to audit as under current law.
No provision.		No provision.	Repeals a redundant provision requiring the AOS to audit each science, technology, engineering, and mathematics (STEM) school every fiscal year.
No provision.		No provision.	Eliminates the AOS's duty to audit a school district serving as a STEM school sponsoring district for compliance with STEM school financing requirements.
No provision.		No provision.	Repeals a provision requiring the AOS to make a notation on an audit report for a county treasurer’s office if the treasurer invested at least 10% of the county’s money in eligible institutions.

Executive	As Passed By House	As Reported By Senate Finance
No provision.	No provision.	Requires the annual financial report filed by public offices under continuing law to include budgetary comparison information as required by the applicable reporting framework or as prescribed by the AOS.
No provision.	No provision.	Removes the requirement for the AOS to operate a fiduciary training program annually for members and employees of state boards and commissions.
No provision.	No provision.	Transfers custodian responsibility for Ohio’s public land records from the AOS to the OHS.
No provision.	No provision.	Requires executive agencies to receive pre-approval from the AOS for internally produced or independently produced audit reports.
No provision.	No provision.	Changes an erroneous reference in the Unclaimed Funds Law from AOS to OBM, which is responsible for paying unclaimed funds held by the state to the owner.
No provision.	No provision.	Requires county auditors, township fiscal officers, and municipal fiscal officers to retain documentation of required completed initial and continuing education courses. Additionally requires the AOS to audit for compliance with the continuing education requirements.
No provision.	No provision.	Eliminates AOS's duty to adopt rules for verifying the completion of initial education programs and continuing education courses for individuals elected or appointed to the office of township fiscal officer, duty to issue a certificate of completion for such programs and courses, and duty to issue "failure to complete" notices for such programs and courses.
