

Ohio Bureau of Workers' Compensation (BWC) benefits and claims continue to decline

Benefits Paid from the State Insurance Fund

- FY 2021 total assets were \$24.46 billion; total liabilities were \$15.12 billion; and total premiums and assessments were \$1.17 billion.
- BWC provided coverage to 253,436 employers in FY 2021, including 3,805 state and local public employers and 1,110 employers that are qualified to self-insure.
- Total benefits for lost time and medical claims peaked in FY 2008 at \$2.06 billion and have generally trended downward since that year.
- The number of open claims have decreased steadily since FY 2014.

BWC Claims		
Fiscal Year	Number of Allowed Claims	Number of Open Claims
2017	86,290	704,756
2018	85,136	672,188
2019	84,364	646,379
2020	71,519	609,965
2021	65,602	579,101
