 1 star: Needs significant support to meet state standards

Source: Department of Education and Workforce

- Six components contribute to a school district's overall report card rating. A rating of three or more stars indicates a district meets or exceeds state standards.
- The share of districts receiving at least three stars on each component in the 2024-2025 school year (FY 2025) were:
 - Graduation: 90% (77% scored four or five stars)
 - Measures high school graduation rates
 - Gap closing: 88% (61% scored four or five stars)
 - Measures the closing of achievement gaps between various student subgroups
 - Achievement: 87% (52% scored four or five stars)
 - Measures performance on Ohio's state tests in math, English language arts, science, and social studies
 - College, career, workforce, and military readiness (CCWMR): 71% (32% scored four or five stars)
 - Measures student readiness for post-graduation pathways
 - Early literacy: 65% (22% scored four or five stars)
 - Measures third grade reading proficiency, promotion to fourth grade, and improvement of struggling readers in grades K-3
 - Progress: 61% (35% scored four or five stars)
 - Measures the academic growth of students from year to year
- Of 607 traditional school districts receiving an overall rating, 550 (91%) met or exceeded state standards. 47 districts (8%) received five stars. No district received 1 or 1.5 stars.
