

Over one-third of the Ohio motor fuel tax (MFT) is distributed to local governments

Motor Fuel Tax Distribution in FY 2023

Sources: ODOT; Ohio Administrative Knowledge System; U.S. Energy Information Agency

- Of nearly \$2.50 billion in MFT distributed in FY 2023:
 - \$1.63 billion (65.2%) went to the Ohio Department of Transportation (ODOT), Public Works Commission (PWC), and other state agencies.
 - \$0.87 billion (34.8%) went to local governments.
- Ohio’s MFT is 38.5¢ per gallon of gasoline and 47.0¢ per gallon of diesel.
 - The federal tax is 18.4¢ per gallon of gasoline and 24.4¢ per gallon of diesel.
 - The combined state and federal gasoline tax is 56.9¢ per gallon, 14th highest in the U.S.
