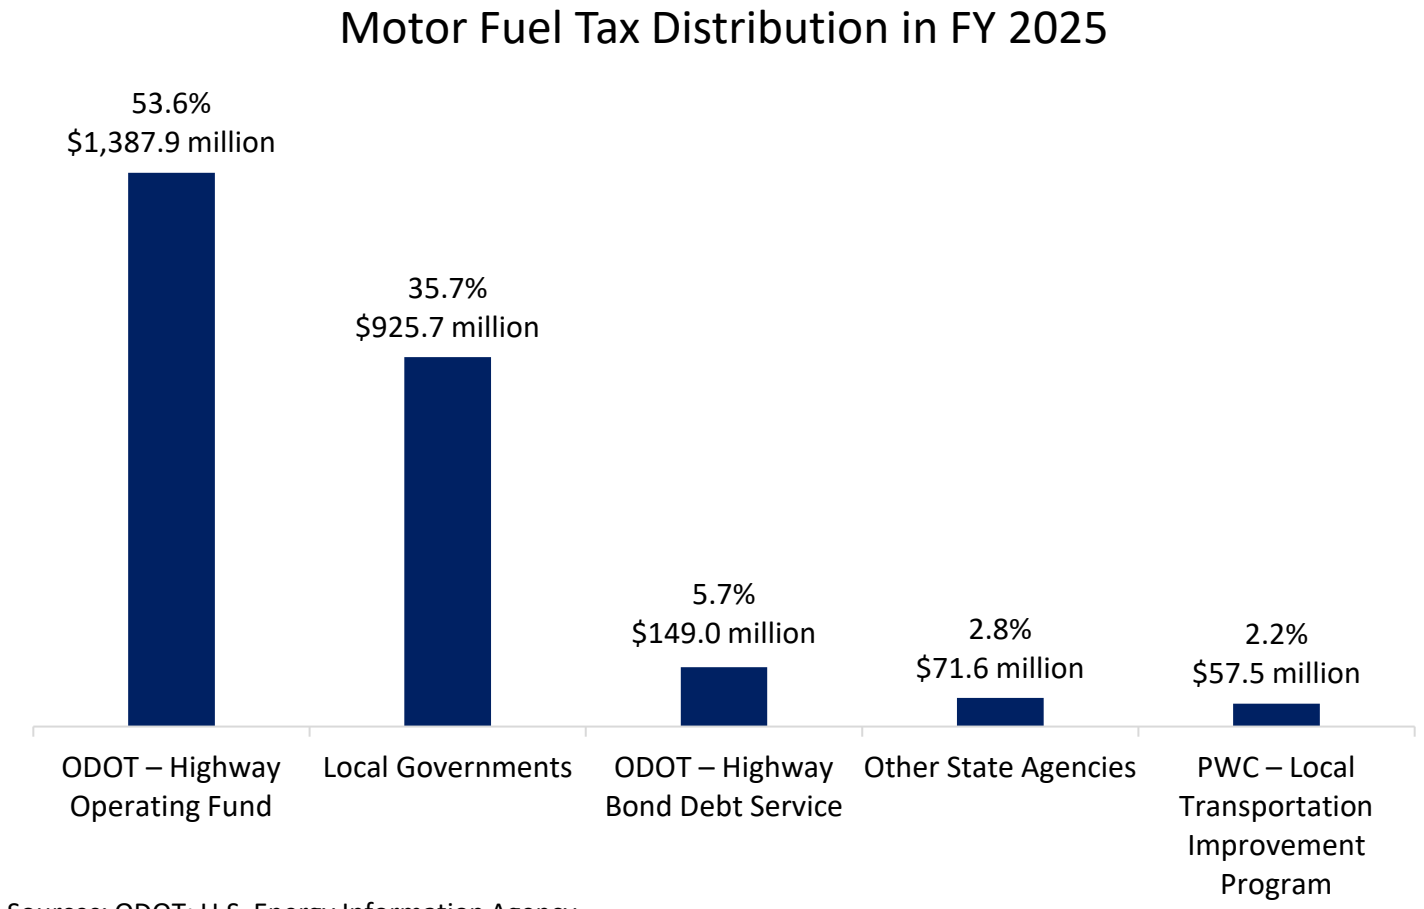
Over one-third of the Ohio motor fuel tax (MFT) is distributed to local governments



Sources: ODOT; U.S. Energy Information Agency

- Of more than $2.59 billion in MFT distributed in FY 2025:
  - $1.67 billion (64.3%) went to the Ohio Department of Transportation (ODOT), Public Works Commission (PWC), and other state agencies.
  - $0.93 billion (35.7%) went to local governments.
- Ohio's MFT is 38.5¢ per gallon of gasoline and 47.0¢ per gallon of diesel.
  - The federal tax is 18.4¢ per gallon of gasoline and 24.4¢ per gallon of diesel.
  - The combined state and federal gasoline tax is 56.9¢ per gallon, 15th highest in the U.S.
