

Ohio spends more dollars per capita in rural counties

FY 2023 Per-Capita State Spending by County

Source: Annual survey of state agencies by the Ohio Legislative Service Commission

- The state spent \$44.5 billion on programs and projects in Ohio's 88 counties in FY 2023.
 - Per-capita spending was greatest in five counties in the Appalachian region: Athens (\$8,417), Scioto (\$6,917), Pike (\$6,730), Gallia (\$6,476), and Vinton (\$5,746).
 - Total spending was greatest in five urban counties: Franklin (\$6.0 billion), Cuyahoga (\$5.1 billion), Hamilton (\$3.2 billion), Montgomery (\$2.1 billion), and Summit (\$2.0 billion).
- State support for Medicaid, K-12 and higher education, other social programs, and local government services amounted to \$43.1 billion (96.9%) of the total.
- Capital expenditures totaled \$1.4 billion (3.1%).
