

Introduction

Section 103.13(H) of the Revised Code requires the Legislative Service Commission (LSC) to prepare a report each year evaluating the extent to which Ohio's various occupational licensing and regulatory boards and commissions are financially self-supporting. The report is divided into two sections. Section I provides a simplified cash balance statement for the 23 funds used primarily by the boards and commissions for operations and summarizes the revenue and expenditure activities for FY 2023. Section II compares the total number of active licenses for each board or commission in FY 2023 to FY 2022. The financial and licensing data presented in this report was compiled from information provided by the boards and commissions and data from the Ohio Administrative Knowledge System (OAKS).
