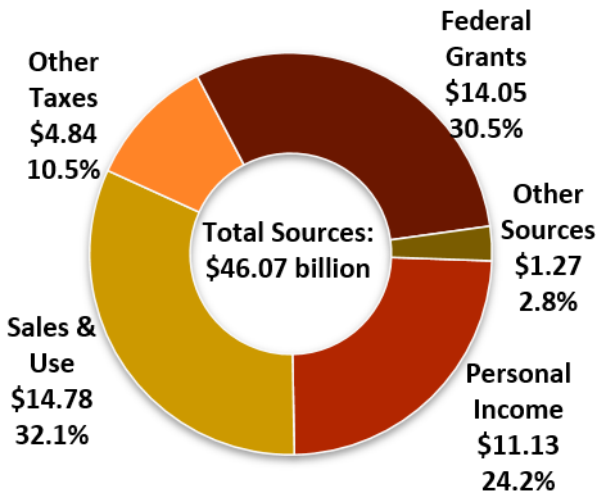
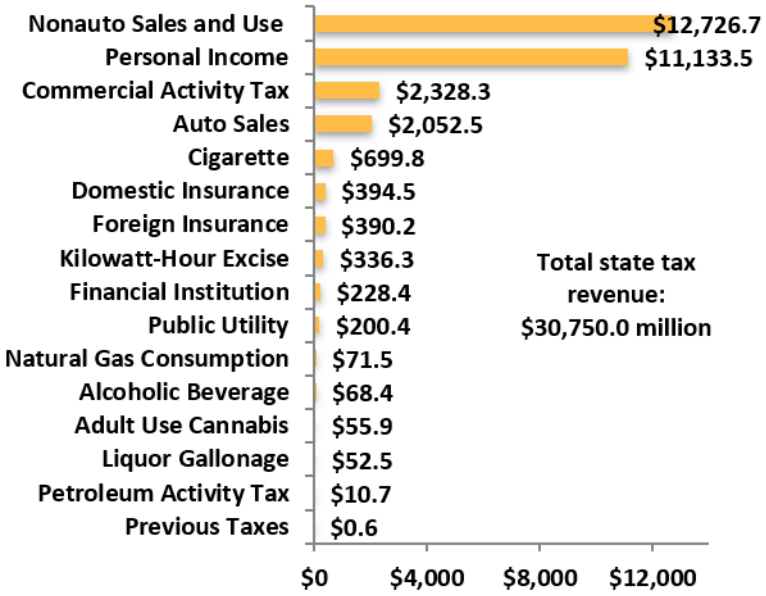
Legislative Budget Office of LSC

Fiscal Year 2026 GRF Budget

July 2026

Money came from:





- The GRF finished FY 2026 with an unobligated cash balance of $2.43 billion. The balance of the Budget Stabilization Fund (BSF) was $3.99 billion at the end of FY 2026. The combined unobligated balance of the GRF and BSF was $6.41 billion.
- GRF tax revenues were stronger than expected in FY 2026, coming in $1.82 billion (6.3%) over OBM's estimates.
- GRF program expenditures are dominated by Medicaid (49.8%). Medicaid GRF spending was 64.7% from federal sources and 35.3% from state sources.
- Primary and Secondary Education is the largest spending area (39.1%), if only state-source GRF is considered.
- Program expenditures were $778.1 million (1.7%) below OBM estimate in FY 2026.
