Letter from Governor Mike DeWine

Dear Fellow Ohioans,

As Governor, I am committed to creating the environment in Ohio, where everyone has the opportunity to live up to their God-given potential. As part of that effort, our Governor's Office of Faith-Based and Community Initiatives (GOFBCI) is proud to collaborate with communities to provide resources to improve the lives of Ohioans.

Throughout 2023, GOFBCI Director Felicia King and her staff focused on creating new alliances and strengthening existing ones with Ohio's faith and community leaders to develop and expand supportive programming. One of the programs my wife, Fran, and I are particularly passionate about is the annual GOFBCI collaboration with Operation Warm to provide new winter coats and shoes to children in low-income families throughout Ohio. For almost a decade, GOFBCI has helped with this effort and many others.

GOFBCI is also a source for various grants for children's initiatives, recovery, workforce development, housing, and more.

To increase its effectiveness in 2023, GOFBCI:

- Spread its message about available resources;
- Collaborated with state agencies and community organizations to expand outreach; and
- Provided \$13 million in grants to faith-based and community organizations.

Moving forward, GOFBCI will continue efforts to remove barriers to success and to help improve the quality of life in Ohio -- the heart of it all!

Very respectfully yours,

Governor Mike DeWine

mile De Wine

Dear Ohioans,

As I reflect on the work of the Governor's Office of Faith-Based and Community Initiatives (GOFBCI), I am excited about the alliances we have formed with the Faith-Based and nonprofit communities in Ohio. We look forward to connecting with even more groups in the future.

Throughout the year, we used our "Faith Flash" newsletters and Compassion Map 2.0, as a guide to human services, to keep our faith and community leaders informed about resources to pinpoint help for those who are in need.

We also continued our outreach and advocacy with the Governor's Expedited Pardon Project, Dolly Parton's Imagination Library of Ohio, Ohio Department of Administrative Services InKind Van grant opportunities and Operation Warm/Coats for Kids. GOFBCI continues to be a valuable resource and liaison between the Governor's Office and organizations throughout Ohio.

To learn more about our work and partnerships, visit our website at www.faith-based.ohio.gov or contact us at gofbci@governor.ohio.gov.

I hope you enjoy reading this report and get a true sense of the shared impact that GOFBCI has made.

Respectfully yours,

Felicia King Director, Governor's Office of Faith-Based and **Community Initiatives**

What is the Governor's Office of Faith-Based and **Community Initiatives?**

OVERVIEW

The Governor's Office of Faith-Based and Community Initiatives was created during the Taft Administration by the Ohio General Assembly. Ohio Revised Code 107.12 establishes the Office of Faith-Based and Community Initiatives within the office of the Governor.

The office was created to carry out four objectives:

- Serve as a clearinghouse of information on federal, state, and local funding for charitable services performed by organizations.
- Encourage organizations to seek public funding for their charitable services.
- Assist local, state, and federal agencies in coordinating their activities to secure maximum use of funds and efforts that benefit people receiving charitable services from organizations.
- Advise the governor, general assembly, and the advisory board of the Governor's Office of Faith-Based and Community Initiatives on the barriers that exist to collaboration between organizations and governmental entities and on ways to remove the barriers.

What is the Purpose of the **Governor's Office of Faith-Based** and Community Initiatives?

The Governor's Office of Faith-Based and Community Initiatives (GOFBCI) is the governor's liaison to the faith community and non-profit sector in Ohio committed to helping faith-based and community organizations access the necessary tools to reach those in need. We exist to supply information, resources, and encouragement in their service to their communities.

To that end, GOFBCI serves as a clearinghouse and mechanism for the governor to engage and communicate with faith-based and nonprofit organizations, ensuring that local institutions, which hold community trust, have up-to-date information on charitable services and resources in their area.

From left to right: Fran DeWine, Mike DeWine, Fr. David Schalk, Fr. Stephen Fernandes, Bishop Earl Fernandes

Additionally, GOFBCI will proactively seek ways to remove barriers to full and active engagement in the faith-based community to champion religious liberty in all statewide programs and initiatives by ensuring consistency with the freedoms assured in the First Amendment of the U.S. Constitution and ensuring the free exercise of religion of individuals and faith-based organizations.

What does the Governor's Office of Faith-Based and Community **Initiatives do?**

In the DeWine Administration, GOFBCI serves as an outreach arm of the governor, helping to meet the needs of Ohio's children and families by providing resources and support to faith-based and community organizations in communities that support them.

OUR MISSION

The mission of the Governor's Office of Faith-Based and Community Initiatives is to promote solutions, including those from our faith-based partners to community needs, and support the development of collaborative efforts to improve the well-being of all Ohioans.

OUR VISION

The vision of the Governor's Office of Faith-Based and Community Initiatives is to build a strong network of compassion in Ohio among the faith-based and nonprofit sector that serves as a safety net for Ohioans in need.

OUR STRATEGY

Compassion Mapping – Build a statewide network of compassion in Ohio among the faith-based and nonprofit sector that serves as a safety net for Ohioans in need.

Capacity Building – Strengthen the skills and competencies of faith-based and nonprofit organizations in Ohio to become fortified and locally sustainable.

Grantmaking/Impact Investing – Fund selected faith-based and nonprofit organizations that offer transformative life altering programs and services for Ohioans in temporary need.

Collaboration – Partner with thriving faith-based and nonprofit organizations championing local solutions and share their methods with others.

Recovery

Mission:

Transforming lives, rebuilding neighborhoods, and helping men re-enter society.

Vision:

A Brighter Tomorrow. To be a trusted, healthy support system for any man who feels powerless, hopeless, helpless, and alone; helping them find solutions with God.

TRY is a Re-entry and Recovery program serving men ages 18 and over in Summit County (or coming out of ODRC Institutions) who were recently incarcerated and/or experiencing substance abuse or addiction by addressing the many barriers to successful reentry and future quality of life.

TRY's re-entry program provides 60-70 men each year with basic survival resources/needs.

Investment: \$200,000

County served: Summit

Honorable Mentions

Housing

Mission:

Grounded in faith, hope, love, and respect for those we serve, the West Side Catholic Center assists all who come in need of food, clothing, shelter, advocacy, and a path to selfsufficiency.

Our plan is to assist families with housing, to prevent loss of housing and/or obtain housing to prevent the family from becoming homeless and triggering an event that could result in the children being placed in foster care.

Impact:

Providing assistance to 50-families with an estimated of 126 persons within the families.

Investment: \$100,000

County served: Stark

Food Security

Mission:

To lead a collaborative network that empowers people to experience healthy and hunger-free lives. We distribute food to feed people, and we advocate, engage, and convene our community in the fight to end hunger.

Vision:

A thriving community free of hunger.

These food products will be made available to qualifying Feeding Kids partners, supplementing their backpack and pantry programs with desirable and difficult-to-procure food.

Impact:

More than 13,000 children will be served monthly by the Feeding Kids Initiative across the Foodbank's 8-county service area.

Investment: \$100,000

Personal Development

Mission:

Southside Hope's mission is to embrace the community, enhance the environment, and enlighten the Spirit of individuals in our surrounding community.

We are focused on stabilizing the lives of families in our community by identifying and helping remove barriers to self-sufficiency. Past participants in our program have found sustainable housing, secured stable employment, enrolled in post-secondary education or other training programs, and increased their household income toward self-sufficiency.

Impact:

Our program will serve parents aged 18 or older, with a household income at or below 200% of the Federal Poverty Level. A minimum of 75% of those participants will complete the program.

Investment: \$200,000

County served: Franklin

Honorable Mentions

Reentry

Mission:

To increase awareness, educate, and promote action-focused strategies for policy change and community connections through community-organized leadership and training.

Through this program persons in recovery and their families will have access to community-based support, accountability, and resources that will increase their ability to maintain sobriety, and secure family structure to care for their children.

Impact:

We seek funding for a two-year period to service 250 persons.

Investment: \$175,000

Counties served: Cuyahoga, Summit

APPENDIX

Operation Warm Report

OPERATION more than acoat

Ohio Governor's Office of Faith-Based and Community Initiatives 2023 **Operation Warm Program Recap**

For the tenth year, Operation Warm and the Ohio Governor's Office of Faith Based and Community Initiatives worked together to provide warmth, confidence and hope to underserved children throughout the state of Ohio. The gift of brand-new winter coats and athletic shoes not only filled an essential need but served as a bridge to connect lowincome families with organizations and resources to help their children thrive.

An impressive 18,852 coats and 16,440 pairs of shoes were shipped to 84 organizations across the state with the support of GOFBCI.

More specifically, 28 Community Organizations, 24 Faith Based Organizations, 8 Head Starts Schools, 11 Direct Service providers, 6 Elementary Schools, 4 Clothing/Food Pantries, and 3 Housing Support organizations, helped extend the vision of the OFBCI by building a network of compassion to serve as a safety net for Ohioans in need.

Nearly all our requests were for both coats and shoes this year, with approximately 90% of organizations distributing both coats and shoes to children and families. You will see the organization details listed below. This year's program extended the reach of the OFBCI to 30 counties. Building on the strengths and efficiencies of last year's program, we again aligned with our coat partner Coats for Kids Cleveland (CFKC) and decided to divide and conquer. Operation Warm focused on non-school requests in the Cleveland area and

CFKC supported schools. This allowed our teams to guickly communicate the distribution materials and connect directly with our designated beneficiaries.

After distribution, beneficiaries receive an optional survey to share feedback about their experience. These stories support the incredible impact that GOFBCI has had on children and families throughout the state this fall and winter.

2023 GOFBCI Grant Spotlight

"Our church is in an urban area where many families have needs. There are immigrants that are experiencing cold weather for the first time and need a coat for their children. It is a joy to be able to provide for these needs. The parents are very grateful, and the children get very excited to pick out a coat in their favorite color."

- Imagine Columbus Primary Academy

"When a child enters our office without a proper coat, and they are fitted with a brand-new Operation Warm Coat, the smile slowly and shyly comes and eventually is as wide as the face. It is such a rewarding experience; every child deserves a warm hug, a safe home, and a full belly. The coats and shoes provided helped us in fulfilling that mission. Thank you for partnering with us!"

- Muskingum County Head Start/CCRI

"I love being able to provide these necessary things, seeing the kids face light up when receiving them and the look of relief and gratitude from the parents/caregivers."

- Community Action Commission of Belmont County

"We had a wonderful and seamless experience. The process was not overwhelming. The kids were super happy and now they have a new coat to wear during this frigid winter."

- Head Start Hamilton County ESC

"It was an amazing and heartwarming experience to be able to assist so many underserved youths, to be warm and have a new coat of their own. We want to do it year after year now."

- Help for Homelessness and Beyond, Inc.

"I was extremely excited to see the faces on children who needed coats and shoes light up as they were putting them on. Their excitement about receiving new shoes that fit was amazing. It is always a blessing to be the answer to someone else's prayer!"
