Total		24,325	\$475,640,940	\$118,984,863	\$594,625,803

(a)

This table has a revised format compared to S6 tables in the Tax Data Series for periods prior to July 1, 2014. The format and content of the table has been changed to agree with categories related to tourism as defined in Section 5, Am. Sub. S.B. 314, 129th General Assembly, as amended by Am. Sub. H.B. 64, 131st General Assembly, as listed in table S6Q in the Tax Data Series. The table includes all sales and use tax accounts, including "direct payment" and "consumer use" accounts in which the appropriate tax is paid by the purchaser, rather than the seller, to the state.

(b) Indicates the number of separate legal entities, not the number of locations.

(c) Several NAICS classifications were combined into one category to prevent disclosure of confidential taxpayer information.
